## *Cruise Educators and Planning Committee*

### **Cindy Parke, RNC, C-EFM, CNM, MSN**

Cindy is the former Director of Professional Education Center (PEC). She is collaborating in this event as both an educator and a co-conference

organizer as a consultant with Right Now Nursing CEs (RNNCEs). Cindy shares a passion for nursing and obstetrics. She will utilize her skills and experience in both clinical care and as an educator for you! Teaching is second nature to Cindy, and her mission is to midwife nurses who can then midwife and protect many women. Cindy is excited to be on her seventh educational cruise adventure. The concept of a Cruise with education is the essence of the idea:

“Education at a Vacation Destination!”

### **Patricia C. Pitts, RNC-OB, NRP Instructor, Mentor, Travel Agent**

Pat is a Clinician, Educator, and Travel Agent/Vacation Planner with Majestic Vacations International. Pat is also an OB Nurse with the passion, and an excellent resource for Perinatal Nurse

Travelers. This Cruise & Learn opportunity is a product of her creative organization. Pat combines her love and expertise of OB nursing with her excitement and knowledge of travel.
